

REGULATIONS FOR GROVE CEMETERY ASSOCIATION

Lots sold after August 1, 1987 will require a burial vault

There will be no trees or shrubs planted on any lot without approval of the Superintendent

There is only one burial per grave space, cremains included

Monuments and Markers (Memorials)

Must be approved by the Superintendent before a foundation is installed

Temporary markers shall be limited to no more than six (6) months from date of burial

One upright memorial allowed for each 2 or 3 grave lot

Single lots require flat markers

Monument and Marker Sizing:

Memorials shall not exceed 1/3 the width of the lot. For example, a nine (9) foot wide lot shall have a monument no larger than 36 inches wide at the base

The height of all monuments shall not exceed 36 inches, and should be granite or marble

The lot owner must submit a written request to the Superintendent for approval of any additions to the lot, other than flowers

Flowers shall be placed by grave markers.

Glass containers are not allowed in the cemetery
